COURSE OVERVIEW

ADVANCED PROJECT MANAGEMENT

Here is a quick overview of your course plus useful information about navigating the online platform.

Your semester starts once you have completed your onboarding.

Tomorrow belongs to people who prepare for it today. -AFRICAN PROVERB

PROGRAMME OVERVIEW

The course is designed to equip professionals with the strategic, technical and leadership skills to successfully manage complex projects. It goes beyond the basics of project management, focusing on advanced methodologies, tools and techniques to ensure projects are delivered on time, within budget and aligned with organisational goals.

WHAT YOU WILL LEARN

Your course contains 9 substantive modules/units. See an overview below:

- Align projects with organisational goals and strategy.
- Identify and manage project risks effectively.
- Plan projects using advanced scheduling methods.
- Monitor budgets and optimise costs.
- Lead teams and manage stakeholders.
- Use project tools and data for better decisions.
- Ensure quality, legal compliance, and clear reporting.

ASSESSMENT INFO

Students must complete and submit various formative and summative assessments for each module. Refer to the Programme Guide on the Virtual Campus for information on assessments in this programme. The formative assessments contributes 40% to the final course mark, while the summative assessment contributes 60%. So the final pass mark for your course is 50%.

HOW TO STUDY ONLINE

You will study entirely online, using our iQ Virtual Campus as follows:

- Log into your profile.
- Complete the Onboarding (including New Rules).

Your course starts once you have completed your Student Onboarding on the Virtual Campus, where you will gain access to the Programme rules and your Programme Guide.

Content for each module will be made available based on a structured learning path to guide you through the learning process over a fixed period. For your convenience, the study guide units for each module are available separately in the respective unit sections on the learning platform (in digital format).

You can download this for offline use.
